Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Selectronic will bear the cost of parts and labour to repair any manufacturing faults found within the terms and period of this warranty. For claim under warranty faulty product must be returned to Melbourne, Australia. No allowance is made for labour or travelling time required to disconnect or reinstall faulty parts. Selectronic will pay the cost of freight to return the repaired inverter to the customer within Australia or New Zealand only. The method of freight will be determined by Selectronic.

All installation and user conditions as set down in the instruction manual must be strictly adhered to as failure to do so may void your warranty. Any faults or like faults caused by lightning, water or moisture ingress, vermin infestation, improper voltage, faulty installation, use of the product in a manner for which it is not intended, alterations which affect the reliability or performance of the unit but are not attributable to faulty manufacture, failure to act on service warning from the SP PRO inverter, damage caused by faulty generator sets or caused by other system components will not be covered under warranty. The wear out of consumable components (cooling fans and power capacitors reaching end of life) is not covered under this warranty.

In the event of the product being out of service, Selectronic shall bear no responsibility for any consequential loss or expense. Selectronic will not be held responsible for any misleading or incorrect information conveyed by anyone not directly employed by Selectronic.

Maximum warranty is only available when conditions 1, 2 & 3 are met.
